HERO SCHOOL LUNCH AND FUNDRAISING PROGRAM

RESPONSIBLE, HEALTHY MEALS FOR GROWING KIDS.

WHY HERO MAKES A DIFFERENCE

We're proud to offer tasty, healthy meals to school kids across the GTA. Our policy is always to use high-quality ingredients from the most humane and natural sources possible – like real Angus beef that's fully-traceable, antibiotic-free, with no added hormones.

Hero chicken is Canadian-sourced and Halal compliant.

Our Plant-based Soul burger is vegan-friendly and our locally-grown tomatoes are GMO-free.

We also offer a range of sides, toppings, extras and dairy-based desserts made with high-quality ingredients.

For those with allergies and other dietary concerns, our foods are peanut-free, and many are also GMO-free, gluten-free, and Halal compliant.
